

MotorPH Employee App - Testing Documentation

Project Title: MotorPH Employee Management System

Test Case Summary Table

Test Case ID	Scenario	Expected Result	Actual Result	Test Result
TC-01	View all employee records	JTable displays all records from CSV	JTable displays all records	Pass
TC-02	View a specific employee	Correct employee data is shown in fields	Correct employee data shown	Pass
TC-03	Create a new employee record	New record saved and appears in JTable	Record saved and displayed	Pass
TC-04	Update an employee record	Changes appear in JTable & CSV	Changes reflected	Pass
TC-05	Delete an employee record	Record removed from JTable and CSV	Record deleted successfully	Pass

Detailed Test Cases

Test Case ID: TC-01

Scenario: View all employee records

Steps:

1. Launch the MotorPH Employee App.
2. Navigate to the main JTable.

- Test Data:** Pre-existing employee records in the CSV file
Expected Result: All employee records are visible in the JTable.
Actual Result: All data loaded correctly and displayed in the table.
Test Result:  Pass

Version 2.0.1 | Build 2025.06.01

Test Case ID: TC-02

Scenario: View a specific employee record

Steps:

1. Launch the app.
2. Click on an employee row in the JTable.
3. Observe if the details populate the input fields.

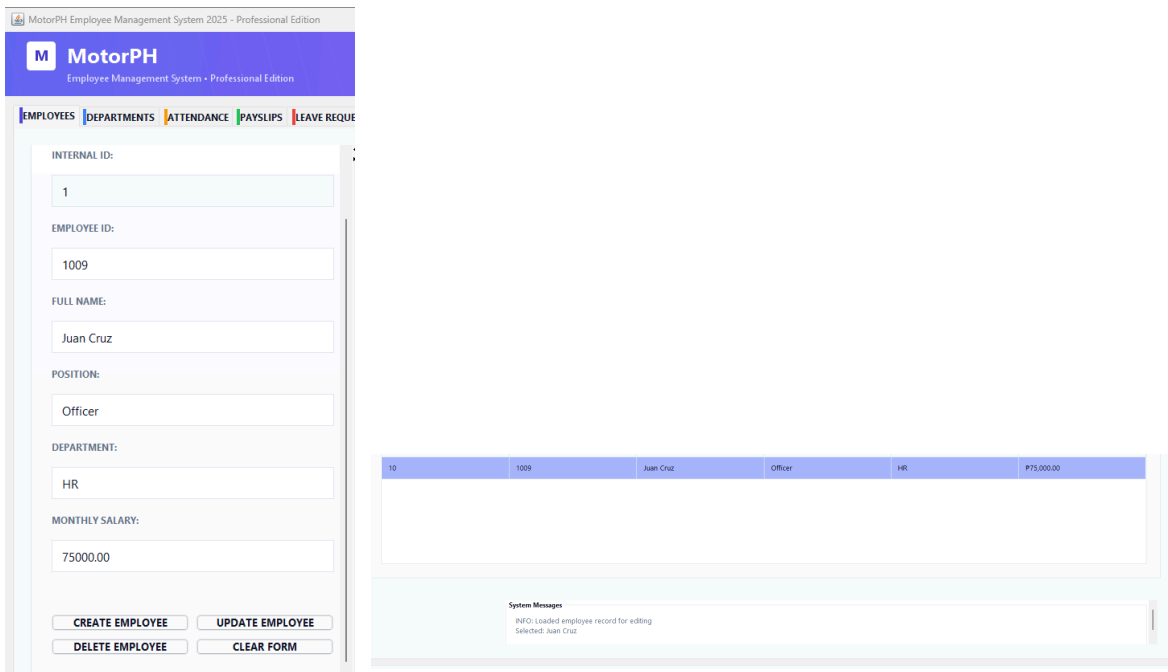

Test Data: Select employee with ID = 1009

Expected Result: All fields (Name, Position, Department, etc.) show correct values.

Actual Result: Employee 1009's data correctly populated in fields.

Test Result:  Pass

 **Screenshot Before/After:**

The screenshot displays the MotorPH Employee Management System interface. On the left, a form is used to view or edit employee details. The form fields are as follows:

Field Label	Value
INTERNAL ID:	1
EMPLOYEE ID:	1009
FULL NAME:	Juan Cruz
POSITION:	Officer
DEPARTMENT:	HR
MONTHLY SALARY:	75000.00

At the bottom of the form are four buttons: **CREATE EMPLOYEE**, **UPDATE EMPLOYEE**, **DELETE EMPLOYEE**, and **CLEAR FORM**.

On the right, a table displays a list of employees. The first row is highlighted in blue and contains the following data:

ID	Employee ID	Name	Position	Department	Salary
10	1009	Juan Cruz	Officer	HR	P75,000.00

Below the table, a system message box states: "INFO: Loaded employee record for editing. Selected: Juan Cruz."

Test Case ID: TC-03

Scenario: Create a new employee record

Steps:

1. Launch the app.
2. Fill out the input fields with new data.
3. Click "Add" or "Save".
4. Observe JTable and CSV file.

Test Data:

- ID: EMP999
- Name: Juan Cruz
- Department: HR
- Position: Officer

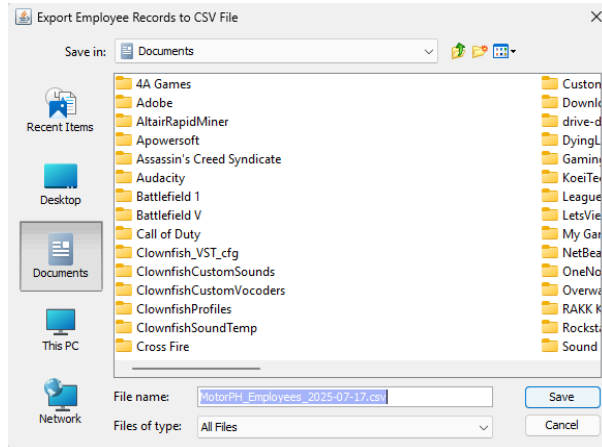

Expected Result:

- New row is added to JTable.
- CSV file is updated with new employee.

Actual Result: Record added successfully.

Test Result:  Pass

◆ Test Case ID: TC-04

Scenario: Update an employee record

Steps:

1. Select an existing employee in JTable.
2. Change the Position or Department.
3. Click “Update” or “Save Changes”.
4. Check JTable and CSV file.

Test Data: Change Position from “Staff” to “Manager” for 1009

Expected Result:

- JTable updates the Position field.
- CSV reflects updated data.

Actual Result: Position changed and saved.

Test Result:  Pass

◆ Test Case ID: TC-05

Scenario: Delete an employee record

Steps:

1. Select an employee in JTable.
2. Click the “Delete” button.

3. Confirm deletion.
4. Check jTable and CSV.

Test Data: Delete employee with ID EMP007

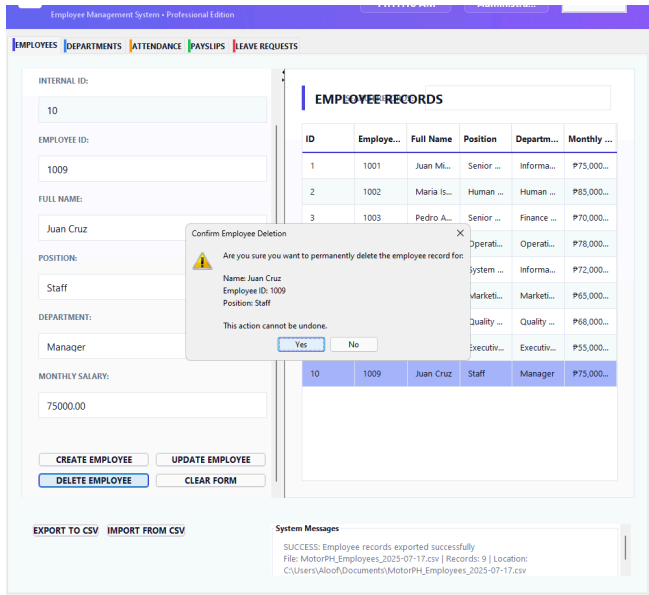

Expected Result:

- Row disappears from jTable.
- CSV no longer contains ID 1009.

Actual Result: Deleted successfully.

Test Result:  Pass

 **Screenshot Before/After:**

The screenshot displays the 'Employee Management System - Professional Edition' interface. On the left, a form for adding or updating an employee is visible, with fields for Internal ID (10), Employee ID (1009), Full Name (Juan Cruz), Position (Staff), Department (Manager), and Monthly Salary (75000.00). The 'DELETE EMPLOYEE' button is highlighted. On the right, the 'EMPLOYEE RECORDS' table shows a list of employees. The row for ID 1009, Juan Cruz, Staff, Manager, with a monthly salary of P75,000.00, is highlighted in blue. A 'Confirm Employee Deletion' dialog box is open in the center, asking for confirmation to delete the record for Juan Cruz (ID: 1009, Position: Staff). The dialog includes a warning icon, the employee details, a note that the action cannot be undone, and 'Yes' and 'No' buttons. At the bottom, the 'EXPORT TO CSV' button is visible, and a system message indicates that the employee records were exported successfully to a CSV file.
